

PROJECT VOTE

- Project Vote is a national nonpartisan, nonprofit 501(c)(3) that works to empower, educate, and mobilize low-income, minority, youth, and other marginalized and underrepresented voters.
- Project Vote has decades of experience in assisting organizations with executing effective voter registration.

Did you know?

Both the paper and online Federally-facilitated Marketplace applications contain a question about **voter registration**.

This presents a great opportunity to **help your clients register to vote** and participate fully in our democracy.

Why help your clients register to vote?

- Voting connects individuals to their community
- Voting can have a positive effect on health
- Many of your clients are from communities historically left out of voting

Our free, in-person training covers:

- ✓ How to be **non-partisan** while discussing voter registration
- ✓ Your state's **voter registration rules** and voter registration application form
- ✓ Your options to encourage voter registration, from providing information to collecting **completed voter registration forms**

And we are coming to a town near you!

- Charlotte 3/17
- Asheboro 3/18
- Raleigh 3/19
- Greenville 3/20

Thank You!

"The information and tools presented were relevant and could be immediately implemented. I highly recommend participating in one of these events for anyone assisting consumers in getting signed up for the Affordable Care Act."
