

# Randolph Health Insurance Navigator Program

Where we were during OE4.....

- Participated in the annual Randolph County Disability Parade that was open to several counties. We set up a table with ACA information and talked with family members and participants.
- Worked with NC Works Career Center. We piggy backed on their event reaching ex offenders and presented ACA guidelines about SEP.
- Worked with local Goodwill who hosted two hiring events. We educated the staff and left ACA materials for future referrals.
- Continue to work with our hospital financial counselors, medical communities, local DSS and SSA Offices and SHIP Coordinating Sites. All of these are great referral sources.

# Randolph Health Insurance Navigator Program

## Where we are going.....

- Contacting previous consumers who had a plan that left the Marketplace but did not reenroll with us for 2017 (SEP until February 28)
- Outreach to tax preparers offering assistance to discuss SEPs, reporting life changes to the Marketplace, helping consumers with Marketplace issues
- Register of Deeds outreach to educate staff about SEP for people getting married
- Outreach to farm workers
- Radio - 30 second commercials promoting SEP and reporting life changes
