on Medicaid Transformation

## Care Share's Mission is Collaborating for Health Equity

The purpose of the Collaborative on Medicaid Transformation is to:

- Convene, educate and support diverse organizations interested in or affected by Medicaid transformation
- Elevate the community and consumer voice in the transformation
- Support the implementation of Medicaid Transformation
- Leverage your expertise in the transformation efforts

**NC COLLABORATIVE**  
on Medicaid Transformation

## The Collaborative Includes

- NC DHHS
- Community based organizations
- Pre-paid health plans
- Providers
- Advocates
- Research & evaluation organizations
- Funders
- Local DSS
- Safety net organizations
- Beneficiaries
- Navigators & assisters
- Other interested stakeholders

## Centering Health Equity – A Health Equity Roadmap

Health equity means that everyone has a fair and just opportunity to be as healthy as possible.

How can we expand on this definition? What else could there be to add or consider in the context of your work?

**NC COLLABORATIVE**  
on Medicaid Transformation

## Centering Health Equity – A Health Equity Roadmap

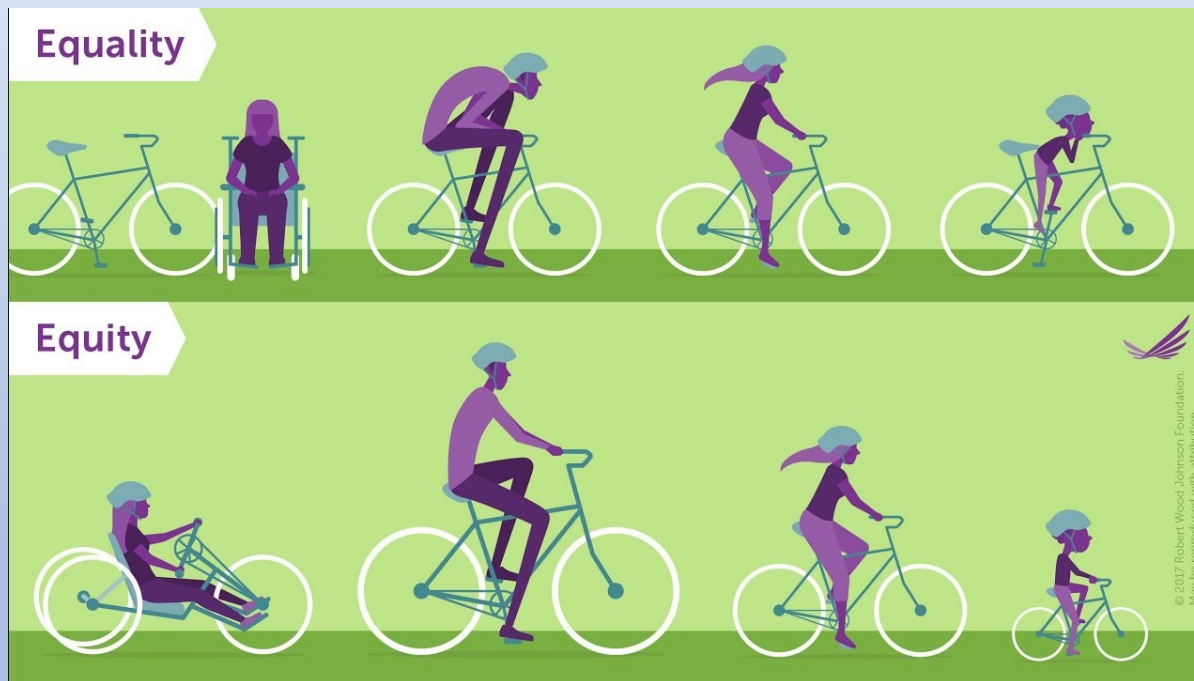

- Root Causes – Racism (cultural, structural, personal), Wealth/Income Inequality, Privilege
- Action – Increased access, collaboration, education, bi-directional learning
- Values Alignment and Visioning – prioritize and strategize
- Evaluation and Assessment – internal/external levels, process > destination
