NC COLLABORATIVE
on Medicaid Transformation

Care Share's Mission is Collaborating for Health Equity

The purpose of the Collaborative on Medicaid Transformation is to:

- Convene, educate and support diverse organizations interested in or affected by Medicaid transformation
- Elevate the community and consumer voice in the transformation
- Support the implementation of Medicaid Transformation
- Leverage your expertise in the transformation efforts

NC COLLABORATIVE
on Medicaid Transformation

The Collaborative Includes

- NC DHHS
- Community based organizations
- Pre-paid health plans
- Providers
- Advocates
- Research & evaluation organizations
- Funders
- Local DSS
- Safety net organizations
- Beneficiaries
- Navigators & assisters
- Other interested stakeholders
